

Enrol now for our POSTGRADUATE PROGRAMMES

MSc STRATEGIC MANAGEMENT

WHAT ARE THE BENEFITS OF THE PROGRAMME?

- Enhanced career prospects in senior strategic managerial roles
- You will develop a wide range of knowledge and transferable skills relevant to the industrial & commercial sectors.
- An internationally recognized British Masters Degree (on successful completion of the Programme).
- Established and prestigious course, already running for the 11th year in Botswana at BAC.
- Reasonable fees payable in one or two installments. Cost includes access to library facilities and online Emerald Journals, teaching materials, etc., except core text books.
- Modules are designed to impart knowledge on developing and implementing effective strategic business programmes.

WHAT IS THE DELIVERY FORMAT?

- Blended learning provides you flexibility in arranging your study-time (no need to leave your work place except for the monthly four-day intensive tuition sessions (including weekend) conducted at Botswana Accountancy College in Gaborone).
- Supported by enhanced on-line electronic resources as well as full academic support throughout the programme by BAC staff.

HOW IS THE COURSE STRUCTURED?

- The programme runs for 15 months.
- There are 6 taught modules and a project which gives students an opportunity to solve a real-world problem involving both research and a practical element.
- Assessment for taught modules is based on individual written reports, research papers within practical assignments and time constrained exams.

WHAT ARE THE ENTRY QUALIFICATIONS?

- A Bachelor's degree (at least 2:2) or equivalent professional qualification.
- 2-3 years relevant managerial work experience.

HOW TO APPLY?

- Download application form from <http://www.bac.ac.bw/documents?page=1>
- All applications should be submitted to Botswana Accountancy College, Postgraduate Office, Fairgrounds Office Park, Block D, 2nd Floor, Gaborone or Francistown Campus, Plot 31403, Moffat Street
Email: spgs.bac.ac.bw or call 395 3062

Closing Date For Applications: 28th February 2019

MA PROCUREMENT AND LOGISTICS MANAGEMENT

WHAT ARE THE BENEFITS OF THE PROGRAMME?

- Contributes towards meeting the scarce/special need of procurement professionals in the private and public sectors of the economy.
- Important that procurement which takes over 70% of public revenue is placed in competent professionals with the ability to deal with its diverse challenges both locally and internationally.
- Develops strategists, problem solvers, policy makers and thinkers in procurement and logistics.
- Enhances ability to synthesize theory and practice.

WHAT IS THE DELIVERY FORMAT?
